Equipment & Services Directory

Editor's Note:

The WWS/World Wide Shipping's [Equipment and Services Directory](#) has been designed by our staff, together with Marty Pilsch of Equip-Right, to give our readers a guide to materials handling manufacturers. We list them by equipment categories, and include a directory of manufacturers for follow-up reference. Each listing carries the manufacturer's name, address, telephone, fax, e-mail, and website, where available.
